

WANT BUSINESS TRAVELERS

TO STOP BOOKING HOTELS OUTSIDE OF YOUR TRAVEL PROGRAM?

Then, give them **ACCESS** to the accommodations, rates, amenities, and incentives **THEY WANT** right within your corporate travel tools.

RoomIt by CWT was designed to **HELP** your travelers easily find, book and stay at accommodations **THEY'LL LOVE**, driving the hotel program **RESULTS YOU NEED**

THE RIGHTRoom

Thanks to RoomIt's team of market managers and partnerships with third-party hotel content sources, travelers have access to over **800,000 properties in 73,000 cities.**

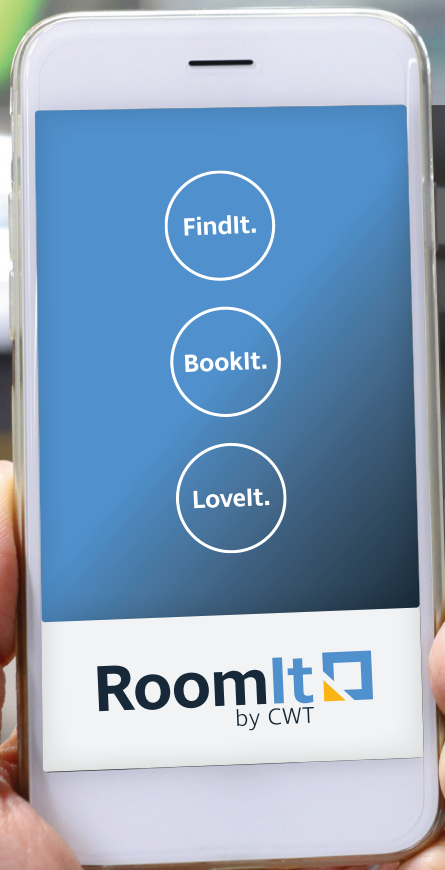

Our breadth of accommodations – from large chains to independents to optional apartments – **makes it easy for travelers** to find the perfect room.

THE RIGHTRates

Travelers won't need to shop around for **the best rate** either. According to RateGain, it's nearly impossible to find a better rate online.*

For those who need help negotiating rates, we've paired up with CWT Solutions Group to offer **a new approach** to hotel spend management. Companies with less than \$10 million in hotel spend can receive **free negotiation assistance**, benchmarking and rate auditing for the top 30% of their hotel spend.
